One Crestmont Road
Binghamton, NY 13905

Mike:

Thank you for presenting your two excellent seminars "How To Increase Profits" and "How To Keep Customers and Find New Customers" on September 21, 2005 at Scotland Run Golf Club.

Your workshops were very well received by our contractors. The membership found your topics to be very informative, timely and interesting.

We really appreciate the great job you did for us and look forward to having you back with more contractors.

Regards,

A handwritten signature in black ink, appearing to read "John J. Connors", is written over a horizontal dashed line.
